

Hello,

Thank you for trusting us to care for your insurance! We work diligently with a variety of carriers to make sure you are getting the best coverage for your needs. Sometimes this means looking at new opportunities for better value.

We believe switching to Westfield is the right choice for you, and here is why we think the change is worthwhile:

**You can count on Westfield.**

They have been around for a long time – 170 years to be exact! Westfield was established in 1848 and is still grounded in the belief of doing what is right for their customers.

**Because the best promise is a promise kept.**

They are a dependable and stable company. Westfield is known for their excellent claims service and financial strength.

**Westfield offers great value at competitive prices.**

Their products are very comprehensive with many valued coverages built right into the base policy.

**What you can expect next.**

There is no action that is needed on your end. We obtained an insurance coverage quote for you and are reviewing it carefully to be sure it makes sense for you. If it looks good to you, we'll get it issued and let your current carrier know we're switching coverage.

Please don't hesitate to call our office with any questions you have. We greatly appreciate your trust and confidence as we work to provide you with the best coverage and service.

Thank you!
