

Westfield Safety Helper

IT WORKS FOR YOU

One, Two, Three.... Safety!

Let's Get Started

1. Registration:

Download the app from the app stores and install as you would any other app. Be sure to Click 'Register' the first time and follow the process to get started.

A screenshot of the Westfield app's login and registration interface. At the top is the Westfield logo. Below it is the text "Sign In". There are two input fields: "Email address" and "Password". Below these fields is a dark grey button labeled "SIGN IN". Underneath the button is a link that says "FORGOT PASSWORD". At the bottom of the screen is a red oval button labeled "REGISTER".

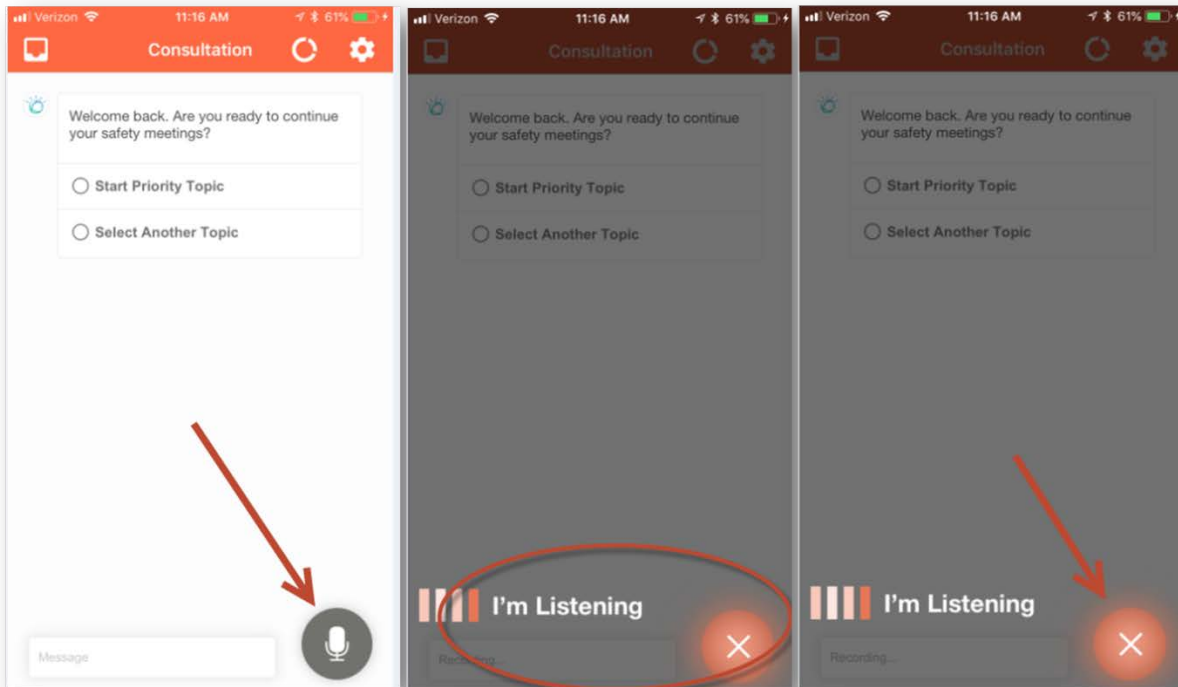

2. Talk to Max Safety- your personal Safety Helper

It's easy and fun to have a conversation with Max. After Max speaks and asks you a question, simply press on the microphone icon once, speak when you see 'I'm listening', Press the X when finished.

Click

Answer

Click

If Max doesn't understand your responses or you just don't want to speak, press in the 'Message' box and type your answer as you would a text message.

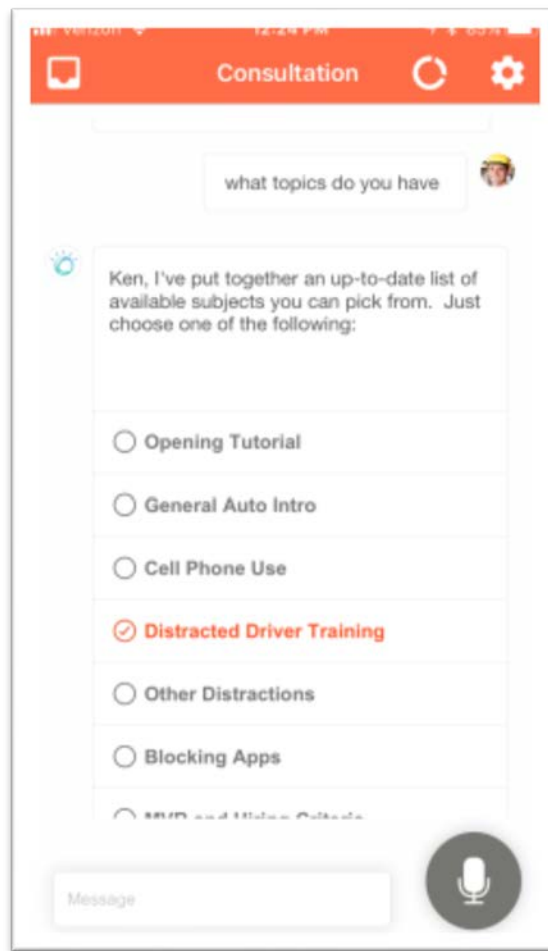

3. Having Meetings with Your Safety Helper

The Westfield Safety HelperSM has prioritized a series of meetings, just for you. Each meeting is 5-10 minutes in length and covers a variety of safety topics. You don't have to prepare, just participate.

- Start Priority Topic - If you follow this path, Max will recommend the next meeting topic for you based on our review of your operations
- Select Another Topic- Allows you to pick your own meeting topic, not sure what is available? Just ask 'what topics do you have?' And a list of meetings will pop up. You can select and launch your desired meeting from there. See image below.
- If you select a meeting that you don't want, just say 'no' when asked to begin that meeting. You will be prompted to select another topic.

4. Questions?
