

Westfield Specialty

Westfield Pro - Lawyers and Accountants Professional Liability

[even well-managed firms face pitfalls]

Offer your clients more than basic coverage. Help them build a positive, risk management-focused culture. Set them up with Westfield Specialty's innovative, high-caliber solutions designed exclusively for:

Law firms with 20 or more attorneys

Accounting firms with greater than \$50 million in revenue

- We initially are focused on excess, and we prefer firms purchasing insurance towers larger than \$20 million — although we also will consider strategic primary participations on a quota share basis.
- We can offer limits up to \$10 million.
- All areas of practice can be considered. Additional underwriting review may be required for entertainment, foreclosure, intellectual property, trusts and estates, class action, mergers and acquisitions, and public audit (CPA firms).
